

AMT Judiciary Committee Final Sanctions in Disciplinary Proceedings 2020-2022

Under the AMT National Bylaws, the Judiciary Committee has the responsibility to hear and decide complaints brought against AMT members who are alleged to have violated the AMT Standards of Practice or who have committed acts that are unlawful, unethical, or detrimental to the interests of the Registry. The Judiciary Committee conducts disciplinary proceedings under a Member Disciplinary Process approved by the AMT Board of Directors. The procedures ensure that due process is provided to each accused member/certificant, including the right to appeal any disciplinary sanction to the AMT Board of Directors.

The following sanctions have been rendered by the Judiciary Committee between April 30, 2020 and March 31, 2022. In each case the reported sanction is final and no longer subject to appeal.
