American Medical Technologists  
Certifying Excellence in Allied Health

Members of the Eastern District of AMT,

Please join us for a virtual education session on May 30, 2026 from 9-12 noon.  
There will be two presentations for 2 CE hours.

Pre-registration is required as seating is limited.

**Registration is opening May 1.**

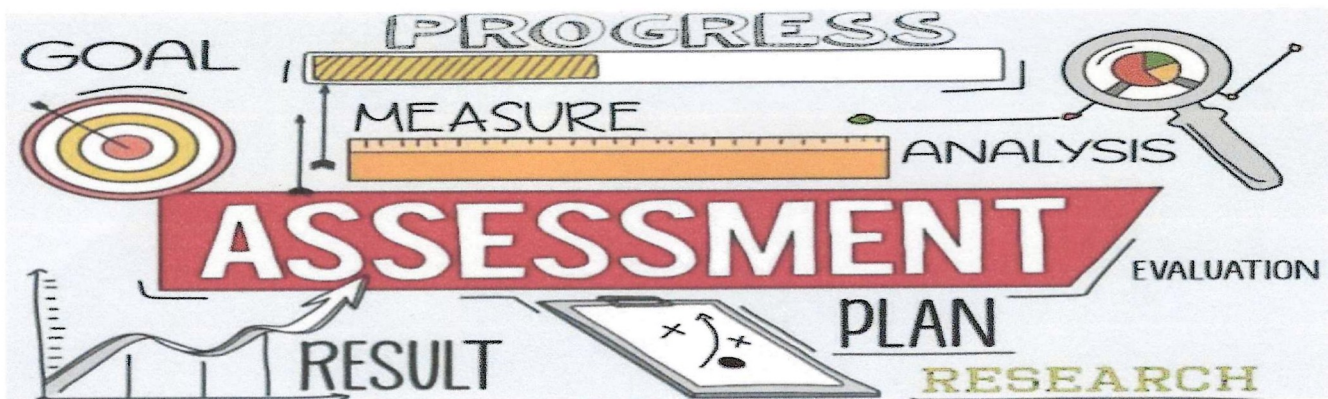

**Topic: Requirements for training and competency assessments in accordance with CLIA regulations.**

Presenter: Cherry Ann DaCosta-Carter, MLS, RPT (AMT)

Objectives: 1. An overview of the reasons for proper training and competency.

2. Special requirements of training.

3. A closer look at CLIA requirements.

**Topic: More than blood draws: Becoming a Healthcare Essential.**

Presenter: Dietra Black, RMA, AHI (AMT)

Objectives: 1. A look at the role of a phlebotomist.

2. Qualifications.

3. Their essential role as a healthcare professional.
