

EMPLOYMENT OPPORTUNITY FOR RMAs!

We received notice from an FLSSAMT RMA that there are multiple openings for Registered Medical Assistants at Sabastian River Medical Center!

HINT: When applying for a position, do your homework – research the clinic/office. The potential employer will be impressed you took the time to understand what they do, their mission as a company, and the clinic's standing in the medical community.

Also, do not sell yourself short RMAs! Be confident, smile, speak up, ask good questions and look your interviewer in the eye. Polish your resume, highlight your strengths and let them know what you can offer their company. If you like what you hear, tell them you are interested in working for their company. Having researched ahead the average pay range for the area, ask for compensation commensurate with your experience and Certification!

The screenshot shows the website for Sebastian River Medical Center, a Steward Family Hospital. The URL is https://www.sebastianrivermedical.org/81/content/careers. The page features a navigation bar with links for Services, DoctorFinder™, Patient & Visitor Information, Events & Classes, Contact, and About Us. There are also social media icons for Facebook, Twitter, LinkedIn, and Instagram. A search bar is present with the text "What are you looking for?". The main content area is titled "Careers" and includes a photo of a healthcare professional interacting with an elderly patient. Below the photo, there is a "Career Opportunities" section with a message: "Thank you for considering a career opportunity with Sebastian River Medical Center. Our mission is to improve the health of our patients and communities, and we do so by providing a quality healthcare experience with kindness and clinical excellence – personalized through compassion." It lists "Hospital Job Opportunities" and "Physician Job Opportunities". A "CONTACT US" button is located at the bottom of this section.
